To the Lafayette Public Library and Lafayette City/Parish Council,

As a concerned citizen, I feel it is my duty to address the unsettling direction our local government has been carrying this community lately. While the incessant call for one defeated tax election after another has been disheartening, the use of taxpayer funds to promote sexual deviancy to three-year-olds was and still is shocking. I am quite eager to hear your position and to know what actions you plan to take.

Sincerely,

Re: Drag Queen Story Time

To the Lafayette Public Library and Lafayette City/Parish Council,

As a elected leader of the nearly a quarter of a million Lafayette Parish residents I urge you to exercise that leadership and uphold moral standards of decency. Please vote to deny the amoral drag queen lifestyle promotion at our taxpayer funded Library.

To make matters even more disgusting it is promoted as a childrens event. The innocence of childhood is being eradicated by violence and the destruction of family values. By allowing this and promoting it as a childrens activity is especially disappointing.

Leaders should have the wisdom to challenge the community to standards that are the highest and best, not the lowest and least. Please do the right thing, be led by a moral compass and deny this activity..

Respectfully,

Charlie Buckels

As a disciple of Jesus he warned us that perilous times like these would come through his apostles. Therefore we are. It shocked but I do need to sound the alarm to let you know that this is the evil that they spoke of would come. Hopefully this strikes godly fear so that he correct decision is made. Not allow this to go through

Romans 1:18-32

18 For the wrath of God is revealed from heaven against all ungodliness and unrighteousness of men, who [d]suppress the truth in unrighteousness, 19 because what may be known of God is [e]manifest [f]in them, for God has shown it to them. 20 For since the creation of the world His invisible attributes are clearly seen, being understood by the things that are made, even His eternal power and [g]Godhead, so that they are without excuse, 21 because, although they knew God, they did not glorify Him as God, nor were thankful, but became futile in their thoughts, and their foolish hearts were darkened. 22 Professing to be wise, they became fools, 23 and changed the glory of the incorruptible God into an image made like [h]corruptible man and birds and four-footed animals and creeping things.

24 Therefore God also gave them up to uncleanness, in the lusts of their hearts, to dishonor their bodies among themselves, 25 who exchanged the truth of God for the lie, and worshiped and served the creature rather than the Creator, who is blessed forever. Amen.

26 For this reason God gave them up to vile passions. For even their [i]women exchanged the natural use for what is against nature. 27 Likewise also the [j]men, leaving the natural use of the [k]woman, burned in their lust for one another, men with men committing what is shameful, and receiving in themselves the penalty of their error which was due.

28 And even as they did not like to retain God in their knowledge, God gave them over to a debased mind, to do those things which are not fitting; 29 being filled with all unrighteousness, [l]sexual immorality, wickedness, [m]covetousness, [n]maliciousness; full of envy, murder, strife, deceit, evil-mindedness; they are whisperers, 30 backbiters, haters of God, violent, proud, boasters, inventors of evil things, disobedient to parents, 31

[o]undiscerning, untrustworthy, unloving, [p]unforgiving, unmerciful; 32 who, knowing the righteous judgment of God, that those who practice such things are deserving of death, not only do the same but also approve of those who practice them.

As people in position to help make this decision. Please do not allow this to pass. God is Holy.

Sincerely,

Re: Drag Queen Story Time

To the Lafayette Public Library and Lafayette City/Parish Council,

In addition to the "form paragraph" being sent to you, I would also be interested to know why this group finds it so imperative to target kids ranging from age 3-6, who at that young age, until told otherwise, will likely view the drag queen story teller as someone that's dressed in a costume of sorts. What is the reasoning behind this; is it to generate questions from inquisitive children, to engage in conversation designed to normalize a choice made by adults? Although it's just my opinion, I'm fairly certain that regardless of I.Q. children at those ages are simply incapable of understanding such a complex issue. There's something about using "story time" to capture the interest and attention of a young child ( one of the few things that will still keep most children quiet and still for more than a minute or two ) then switching the focus and topic from the story being listened to into a discussion about an adult topic, ( one that can be confusing and hard even for adults ) and it just feels wrong in that feels like a "bait and switch" and as such, I cannot support it.

I'm all for diversity, for inclusion, I reject discrimination in all of it's forms and I'm more open-minded than most or so I'm told. So if I'm missing something important, or if I'm misunderstanding the purpose of this event, or anything else related, please by all means let me know. If so, I will not only submit another letter saying as much, but I will add my name to those in support of the event. If however, generally speaking I have understood the intention for and reasoning behind the "story time" event, I stand by every word I have shared with you herein. Thank you for your time;

Sincerely,

To the Lafayette Public Library and Lafayette City/Parish Council,

As a concerned citizen, I feel it is my duty to address the unsettling direction our local government has been carrying this community lately. While the incessant call for one defeated tax election after another has been disheartening, the use of taxpayer funds to promote sexual deviancy to three-year-olds was and still is shocking. I am quite eager to hear your position and to know what actions you plan to take.

Statistics show that introducing sexualized material to children that young, confuses them. I want to explain these things in a manner normal to our religious beliefs.

To the Lafayette Public Library and Lafayette City/Parish Council,

As a concerned citizen, I feel it is my duty to address the unsettling direction our local government has been carrying this community lately. While the incessant call for one defeated tax election after another has been disheartening, the use of taxpayer funds to promote sexual deviancy to three-year-olds was and still is shocking. I am quite eager to hear your position and to know what actions you plan to take.

Re: Drag Queen Story Time

To the Lafayette Public Library and Lafayette City/Parish Council,

As a concerned citizen, I feel it is my duty to address the unsettling direction our local government has been carrying this community lately. While the incessant call for one defeated tax election after another has been disheartening, the use of taxpayer funds to promote sexual deviancy to three-year-olds was and still is shocking. I am quite eager to hear your position and to know what actions you plan to take.
